This is the second oldest son of the household, Akari-san, a college student.
I'm so happy that you decided to come back here, Fuuka-chan.

I'M VERY HAPPY TO HEAR THAT FROM YOU.
HOWEVER, I WOULD APPRECIATE IT IF YOU WOULD STOP HUGGING ME.
But Fuuka-chan, you stopped being startled by it
Maybe you've gotten used to it!
Then it's fine, right?

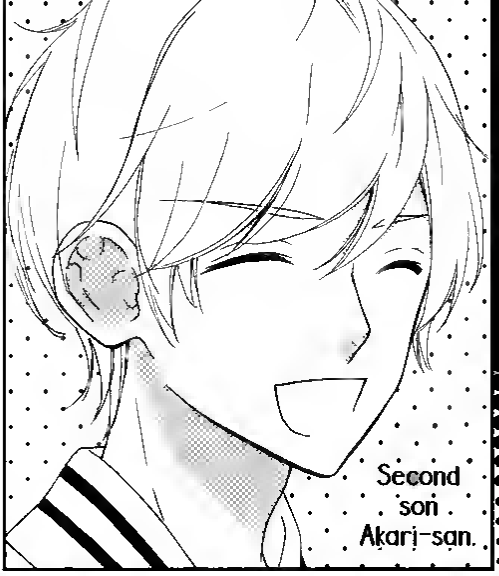
At home, he works as a system engineer (SE).
Together with Tsukasa-san, who brings in clients, they support this household.
I FEEL LIKE I DON'T GET AS TIRED.
That's great



I shouldn't step into their personal affairs.

However, I am just a housekeeper.

It could be due to their parents or something personal.

They don't look like each other at all.
